

Master of Science in Physiology						First Semester	Course Status
	Course Code	Course Title	theoretical	Practical	Training	Internship	
1	261022	General Physiology and Lab.	3				Compensatory
2	261047	Research Methodology and Proposal Writing	1				Specialized Elective
3	261005	Cell Physiology	2				Specialized Elective
4	261048	Working with Lab Animals	1				Elective
5	261049	Working with Lab Animals		1			Elective
6	261035	Medical Information Systems	0.5				Compensatory
7	261036	Medical Information Systems		0.5			Compensatory
Total Credits						9	

Master of Science in Physiology						2 nd Semester	Course Status
	Course Code	Course Title	Theoretical	Practical	Training	Internship	
1	261044	Specialized English	2				Elective
2	261042	Physiology of Cardiovascular System	2.5				Specialized
3	261011	Physiology of Gastrointestinal System	2				Specialized
4	261040	Pharmacology	2				Elective
5	261037	Physiology Methodology		2			Specialized
6	261052	Principles of Disasters and Risk Management	2				Mandatory - Compensatory
Total Credits						12.5	

Master of Science in Physiology						3 rd Semester	Course Status
NO	Course Code	Course Title	Theoretical	Practical	Training	Internship	
1	261010	Physiology of Respiratory System	2				Specialized
2	261014	Physiology of Kidney and Body Fluids	2				Specialized Specialized
3	261043	Physiology of Endocrine System	2.5				Specialized
4	261051	Special Issues in Physiology	2				Elective
5	261038	Training		1			Specialized
Total Credits						9.5	

Master of Science in Physiology						4 th Semester	Course Status
NO	Course Code	Course Title	Theoretical	Practical	Training	Internship	
1	261017	Physiology of Nervous System	3				Specialized
2	261039	Thesis		6			Specialized
						9
